

Shopping At Kroger Can Earn Stonewall Money!

Are you a Kroger shopper? Did you know that Kroger will refund four percent of every dollar you spend to our PTA when you use their rechargeable gift card? We will receive a check each time we cumulatively reach \$5,000.00 in sales. We can reach this total easily if all the friends and families of Stonewall kids who already shop at Kroger will pay for their purchases with the rechargeable gift cards. For example, if a family spends \$100.00 per week on groceries and/or gasoline, that family will earn \$208.00 each year for the PTA. If we can get 25 families to consistently use the cards spending \$100.00 a week, we will receive \$5,200. 00. The more families and friends we get to participate, the more money we can make! Easy money! All you have to do is shop at Kroger and swipe the card! No additional fees are required. We are hopeful we will be able to rely on this fund raiser for a significant portion of our yearly income. We can do it with your help!

The Kroger gift card is very easy to use. Just purchase a card through the Stonewall PTA for \$5.00. Your new gift card is already loaded with your \$5.00 purchase price. Anytime you shop at Kroger, use this card to pay for your purchases. You may recharge your gift card at any register or at the service desk **before** the cashier scans your order. Kroger cards can be recharged with cash, check or charge. They can be recharged in any amount up to \$200.00. They can be used at any Kroger, anywhere! Kroger gift cards make great gifts because they can be used for so many things. They can be used to purchase food, medicine and gasoline. The new Marketplace Kroger offers house wares, furniture and jewelry. Stonewall supporters have purchased Kroger cards to give as teacher appreciation gifts, gifts for babysitters and one business even purchased them for holiday gifts for their whole staff. It truly is the gift that gives twice, once to the recipient and once to Stonewall. Please think about a Kroger gift card the next time you need a great gift for someone!

All cards must be purchased through the PTA to benefit Stonewall Elementary. Order your card by filling out the following form. Send the form and a check into school with your child and we will send the cards back home with your child. Or contact Anna Wientjes at 252-0836 or e-mail at amwientjes@gmail.com and we can make other arrangements to deliver the cards.

Thank you for supporting Stonewall Elementary PTA!
